

CADENAS DE 21 FICHAS DE DOMINÓS DE FRACCIONES

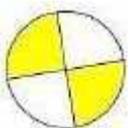

Reglas del juego:

- Forma una cadena con estas 21 fichas de dominós, conectando la fracción con una representación geométrica equivalente. Es decir, por ejemplo, la

fracción $\frac{1}{2}$

se corresponde desde luego con la representación , pero

también con , con  o con 

- Empieza por la ficha que quieras y al acabar pega tu cadena en el cuaderno.
